Labotek continuously strives to adapt to technological developments within its business area, ensuring that our customers are always offered high-standard equipment, delivered on time and of the highest quality.

To fulfil the company's objectives, Labotek's quality management system is certified in accordance with the DS/EN ISO 9001 standard.

The quality management system covers the entire company located at:
Strøbjergvej 29, 3600 Frederikssund.

Labotek A/S is committed to complying with all applicable requirements (legal, regulatory, and other relevant obligations relating to Labotek's operations).

Labotek is committed to the continuous improvement of the quality management system and to consistently using it to enhance Labotek's products, workflows, and outcomes in the interest of all stakeholders.
